

# LAY LEADER EDUCATION PROGRAM

Equipping Today's Leaders for Ministry  
Christian Church (Disciples of Christ) in Canada

## LEARN

### Strengthen and build on your gifts & passions

Develop practical skills such as interpreting scripture, leading a study, providing pastoral care support, understanding community dynamics, developing prayers, worship elements & innovative ministries

## GROW

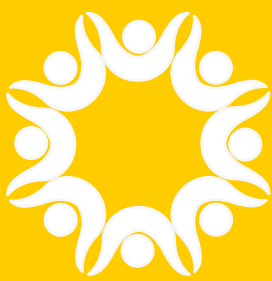

### Feed your spirit & grow in faith

Explore your call to serve and your God-given gifts for ministry. Understand your faith in the context of today's society. Deepen your own spirituality, critical thinking, interpretation, and understanding of yourself as a child of God

## THRIVE

### Invigorate your local community

Put your gifts for ministry to work in your local community and the greater Church. Help to develop new leaders and encourage existing ministries. Network with others across Canada to strengthen the entire body of Christ

## LEAD

### Step boldly into God's call

Courageously build braver spaces for the church to live into its call to be light, transformation, and hope. Together we will be the church we say we are - a movement for wholeness in a fragmented world
